CANDIDATES DWINDLE FAST

Out of Four Full Football Elevens at the High School Only Seven-teen Men Remain.

Some of the boys who were out for the Salt Lake High school football team have decided that they had better put in all spare moments on their studies, or else that "Dad" Conville's coaching is too much for them. Whichever is the case, the four full teams which made their appearance Wednesday have dwindled down to seventeen men. These men have all had some experience on the field, and are athletes, each one prepared for the hard line of work laid out for him.

Yesterday the boys were kept busy diving after the ball, running down punts, and later they lined up for a little team work. William Goodspeed is back in his old position, left halfback, while Frank Winesap appears to be the only likely candidate for fullback as yet. Louis Karick, who has been looked upon to complete the back field, announced yesterday that he will enter the University of Utah this year to continue his school work. Matt Gallagher, who has always played in the back field until last season, will probably drop behind the line to make room for George Atkins and Lawrence Goddy, both strong men, who have played the game before.

MORE MONEY IS READY FOR BLOODY AUTO TRACK

Indianapolis, Sept. 9.—The Indianapolis Motor Speedway management has decided to spend \$150,000 more on the track that has already cost over \$500,000 to date. Besides the lives of six persons who were killed in the opening meeting last month, two-thirds of this amount will go in an attempt to make the track perfect. A new surface will have to be laid, and this will be done in a thorough manner before cars will be allowed to race on the track. With a perfect surface the driver will not have such a difficult task in covering laps as he has in the past. The new surface will be laid in this manner reduce the possibility of accident.

OCCIDENTALS WILL TRY TO EVEN UP WITH BERT

As a result of the boosting effect of the meeting of the state baseball managers held last night, a game is promised for Sunday between the Occidentals and Margie's Independents at Walker's field. The two teams are warming up for the possible chance of a state series, and a hot contest is assured. The games between the two teams now stand four out of seven for the Independents.

LEHI HAS HOPES OF BASKETBALL TEAM

(Special to The Herald-Republican.) Lehi, Sept. 9.—The Lehi High school and the Lehi public school are planning a day with the largest corps of teachers and the heaviest attendance in the history of Lehi. The attendance in high school is 25 per cent higher than last year, and already Lehi's hopes of another winning basketball team are very strong. It is expected that Price, the phenomenal sprinter, will register next week. Price won the hundred yard dash in the Utah county M. L. A. meet in 20.5 seconds and the 200 yard in 21.5.

TAFI CO. PRESENTED.

Beverly, Mass., Sept. 9.—The Sander yachtmen, both victors and vanquished, were received by President Taft today on board the Mayflower, and the formal transfer of the big silver bowl, which bears the president's name, to the owner and crew of the yacht Joyette, the winner of the third German-American race for Sander boats, was made.

KEENE IS WINNER.

Doncaster, England, Sept. 9.—The Portland handicap plate of 500 sovereigns added to a sweepstakes of 19 sovereigns each for three year olds and up, distance five furlongs 132 yards, was won today by American Girl.

SENIORS PLAY AGAIN.

The Salt Lake seniors will again get in the game to play the Sugar House junior champions at Wandamers park, Saturday afternoon at 3 o'clock. The Sugar House team is a strong junior team and has lost but one game out of eleven played this season. The seniors have won eighteen out of nineteen played during this season.

JOCKEY SANDY MAY DIE AS RESULT OF SENSATIONAL SPILL AT OGDEN RACES

(Special to The Herald-Republican.) Ogdén, Sept. 9.—Jockey Tommy Sandy, up on Silver Grain, in the first race this afternoon at the fair grounds, met with an accident which may cost him his life. The race was for four and one-half furlongs for 2-year-olds. At the first turn Silver Grain, and Dora Paine were hugging the pole, when Dora Paine, in the lead, fell. Silver Grain stumbled over her and crashed into the fence. Sandy was taken up unconscious and hurried to the hospital in an ambulance, where he and a cracked rib. Sandy is a compound fracture of the skull and a broken collar bone. At midnight he had not recovered consciousness and the physicians state that his condition is very serious. Little hope of his recovery is given.

The jockey up on Dora Paine, Elsenzaph, escaped unhurt and neither horse was injured. Sandy is 19 years old and his home is in Oakland. He had been riding about four years. The track was heavy today and it is believed that Dora Paine slipped and then stumbled in the mud.

Eye-witnesses say, however, that Elsenzaph was responsible for the accident, as he cut into the pole, causing Dora Paine to stumble.

With the favorite out of the way, Daredevil, a 10 to 1 chance, easily disposed of Jim Brady, and won with lengths to spare.

If You Need an Instrument, You Should Certainly Take Advantage of the Unusual Opportunities Afforded by the Great Consolidation Sale

Yesterday, the third day of the great Consolidation Piano Sale, was marked by enthusiasm not usually, if ever, witnessed at any kind of a sale. The public evidently realizes that every price quoted by us is genuine and that every piano we sell is sure to be found exactly as represented. The many customers we served yesterday give evidence of the fact that they find things at the store exactly as we advertise them. The object of the sale is just as pressing now as it was the first day and will continue until we have enough pianos to make room for the pianos to be moved all into one store. The consolidation of the two big stores naturally enlarged the stock of the new company to such an extent that even with the increased floor space of the new store there are far too many pianos on hand to permit of them all being moved onto the floors of the new store. This means that the stock must be reduced considerably and the fact that it must be done quickly is reason enough for the big reductions that have so far marked this sale as the greatest in the history of the state.
